Committee: House Committee On Labor and Workplace
Standards

Measure, Appointment or
Topic: HB2548

I am so dissapointed in all the house bills coming through. My head can't spin fast enough. These bills are so destructive to the hard working Oregonians that are just getting by with high costs on everything. Please back off!

Farmers and ranchers are some of the hardest working people I know and they should be getting advantages, not disadvantages. PLEASE DO NOT put this bill through!

Sincerely,

Brandi Stone
