On Behalf Of:

Committee: Senate Committee On Finance and Revenue

Measure, Appointment or Topic: SB108

I am Monique Bochsler, and I am advocating for your support of SB108. This legislation will prevent county clerks from updating voter information through ODOT and OHA communications, instead empowering voters to utilize their registration cards for any necessary updates. It initiates an important dialogue about ensuring that voters maintain control over their personal data, rather than allowing automatic systems to make changes without their consent. Please support this .

Thank you for considering my request.
