

Submitter: Jason Hunton

On Behalf Of:

Committee: House Committee On Labor and Workplace Standards

Measure, Appointment or Topic: HB2548

This bill is only harmful to employment and the small farms of Oregon. It is designed for industrial scale manufacturing operations and is quite ridiculous for a small farm with 3 employees and 3 family members.

Possibly the worst bill I've ever read to make it this far.

This would be an utter train wreck. Do NOT pass this legislation!!!
