Measure, Appointment or Topic: SB681

I strongly support the Pause Act-SB 681. I am a taxpayer whose money supports PERS . I care how the Oregon PERS funds are invested . If we do not make meaningful investment decisions RIGHT NOW we will not be able to afford the coming climate disasters that are without a doubt coming our way , if we choose inaction .( Pacific Palisades , Altadena , Malibu , CA , for example ) . No NEW private investments in fossil fuels! Support SB 681 , please . David Medford
