Measure, Appointment or Topic: HB2548

I strongly oppose HB2548. My grandfather started farming in the Hood River Valley and our family has carried on the tradition for 115 years. We are not willing to sell our farm to corporations that don't care about our neighbors, our family and the community we all live in. Your wish to tax us beyond the ability to pay our employees and pay more Oregon tax will end a lot of jobs and safe environments for our community and the employees work with us.
