

Submitter: David Wall  
On Behalf Of: Mr Oregon OPPOSES HB 3477  
Committee: House Committee On Climate, Energy, and Environment  
Measure, Appointment or Topic: HB3477

I OPPOSE [HB 3477].

From the Text of [HB 3477], "...SECTION 4. ORS 468A.215 is amended to read: 468A.215. (1) There is created the Oregon Climate Action Commission..."

Let's see, Wind Power is all but caput.

"Drill Baby Drill" is here for a long time.

Solar Power lemmings are about to embrace Distributed Power Plants and Community Power Companies to sooth their energy and climate saving fears.

And now, the latest croc-de jure is...Drum roll please...the advent of the "Oregon Climate Action Commission."

The "Oregon Climate Action Committee" is nothing more than a prelude to some harebrained Tax scheme...taking our money and not saving the planet one single bit.

The Dumb continue to get dumber.

David S. Wall  
Mr. Oregon Concurr.
