

Submitter: Ronald Weiss
On Behalf Of: Weiss Ranch
Committee: Senate Committee On Natural Resources and
Wildfire
Measure, Appointment or Topic: SB777

Losing a calf or a mother cow to a wolf kill is devastating to a producer, but unfortunately it's not just one cow or calf it's several, not only running them them scared to where the cows can't get bread, also trying to absorb the cost to vet or doctor a cow or calf that survived from a wolf attack,

The costs in this industry are tuff, the rancher or producer can not absorb this recklessness.

Thanks
Ronald Weiss ????
