

Submitter: John Masterman

On Behalf Of:

Committee: House Committee On Labor and Workplace Standards

Measure, Appointment or Topic: HB2548

Life is expensive enough as it is. Adding another burden to the employers in agriculture just makes things cost more. I like to eat, and this would make my food cost more. No thanks.

The overtime bill did no good. It caused higher administrative costs. No overtime was paid. Let's stop making it difficult for businesses to be in business. There is no free lunch, and each additional expense is eventually passed along to the customer.
