

Submitter: BRENT STUTZMAN
On Behalf Of:
Committee: House Committee On Labor and Workplace Standards
Measure, Appointment or Topic: HB2548

I appreciate your commitment to supporting our agricultural workforce. However, I believe that rather than adding new regulations, we should focus on enforcing the existing ones. Additional bureaucracy will only burden farmers and business owners, pushing them toward non-human alternatives or workarounds that could ultimately harm the very workforce these regulations aim to protect.

I urge you to prioritize effective enforcement of current laws rather than introducing new restrictions that may create unintended consequences. Thank you for your time and consideration.
