I am an Alumni of Oxford House Bloom

I am opposed to bill HB 2239

The certification process and standards of Oxford House Incorporated should be held on equal footing as the NARR certification.

I believe there to be a great need for several different Recovery Housing options in the State of Oregon.

My Oxford House experience has help me grown up. Taught me how to be a productive member of society. Taught me how to pay bills and work with others. Taught me that I have a say in all parts of my life. I have watch many people put pieces of the life back together. Teaching and learning from each other, caring and love with boundaries.
