Bend Oregon

I am the treasurer of the Valinor Oxford House in Bend Oregon.  
Living here since Jan. 26th 2024

I am opposed to Bill HB 2239

The certification process and standards of Oxford House Incorporated should be held on equal footing as the NARR certification.

Oxford House Incorporated as a whole has opened my eyes to a bigger picture of the amount of addicts and alcoholics that desire to stay stopped.

Oxford House Incorporated has saved my life and has given me the opportunity to help others achieve there foundation of support through the model of Oxford House Incorporated.

Thank you
