I my name is Jesse Holloway I am currently a resident in Aspen Oxford house I am against bill hb2239. I believe there to be a great need for several different recovery housing options in the state of Oregon. Oxford house and true Democratic self supporting model of one person in recovery helping another was and continues to be a life changing opportunity for several throughout the state of Oregon. Currently Oxford house has 236 houses in 24 counties serving over 2000 members.
