Topic: HB2239

My name is Nichole DeSpain

I am the core member at the Carlisle Oxford House in Roseburg Oregon. I am also the Chapter 17 Co-Chair. Oxford House has saved my life and helped me build up to be a successful pro social member of my community.

I am apposed to Bill HB2239.

I believe that the certification process and standards of OHI should be held on equal footing as the NARR certification.
