

Submitter: Camille Eber  
On Behalf Of:  
Committee: House Committee On Labor and Workplace Standards  
Measure, Appointment or Topic: HB2548

Dear Leaders,

Please do not support this bill - only a NO vote is the right vote.

As a retired business owner in a different industry I understand the burden of too many regulations! Over regulation is costly for our farmers and businesses and for the taxpayers.

There are many protections for farm and agriculture workers - don't add additional burdens to employers.

Also, keep Oregon an "at will" state in agriculture as well!

Thank you!
