

Submitter: rod folen

On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3075

I oppose this measure as it is not constitutional on its face. I urge our decision makers to do two important things. One, review your oath of office where it requires you to protect and defend the Oregon Constitution, and two, read section 27 regarding firearm rights ; it could hardly be more unequivocal. Thank you for your time.
