Committee: House Committee On Labor and Workplace Standards

Measure, Appointment or Topic: HB2548

Since 2017, Oregon has lost over 2,000 farms, and HB 2548 will lead to the closure of even more family-run farms and ranches. The our farmers and ranchers who produce our food and contribute to feeding the world deserve our backing rather than being regulated into bankruptcy. Oregonians have the right to buy local produce and meat from those who have worked the land through generations of hard work and perseverance.
