Oregonians cherish our small farmers. Oregon Gov't has so many regulations already & now they intend to burden small farmers with more regulations which essentially will destroy all small farmers. It's not weather, water that makes farming impossible but our OWN GOV'T terrorizing poor farmers. The Oregon Gov't. NEVER represents Oregonians. They represent some communist entity wanting total control in order to pillage Oregon for their own wealth & power. This gov't torment has to end.
