

Submitter: JENNIFER KAMPRATH

On Behalf Of:

Committee: House Committee On Early Childhood and Human Services

Measure, Appointment or Topic: HB3835

The State of Oregon has done nothing but harm children. Look no further than the current firing of the Oregon Youth Authority director who let child abuse reports back up with no action. Oregon does not care for the children in its care and it will get even worse with this bill Leave our kids alone!!

VOTE NO
