Committee: House Committee On Labor and Workplace Standards

Measure, Appointment or Topic: HB2548

I urge you to vote no on HB 2548. As someone who has been in the ag industry in Oregon for over 30 years, I know first hand the challenges faced by farmers, not just the owners but the farm workers, as well. An unelected board with little to no experience in the day to day operations of farming is not qualified to make decisions for all farms and farm workers across the state. I urge you to listen to my state representatives, Lucetta Elmer and Anna Scharf, and vote no on HB 2548.
