HB3076

I recently have learned how loose our gun dealer laws are and how easy it is to get a gun or many guns. I am horrified that I can buy a gun that is designed to kill with almost no effort but I have to get a license and drive a car. Only 2% inspections? 80% of gun deaths are by suicide which is an impulsive act. buying lots of guns at once. Where is the common sense in this? Please pass HB3076 to increase the safety of Oregonians.
