hi,

"I oppose removing Design Review as proposed in the SB974 –1 Amendment
"Section 12 (5)" on page 10 and "Section 13 (5)" on page 11."

once it's gone, it's gone, and time is up/ we sorely need more preservation....

we need better design review that will impact our neighborhoods, and it needs
materials that will last.....

so much history has been erased in portland, we don't recognize downtown at all
hardly...

razing cinemas in the 1960s- thru current is one of the worst plans to take place
downtown and elsewhere..

do you really want to be aligned with opportunity zones that the current white house
encourages?

pls oppose sb 974

<https://www.portlandchronicle.com/> details the demolitions esp in 2013-2017, when
over 300 buildings a year were razed....

thx
