On Behalf Of:

Committee: Senate Committee On Housing and Development

Measure, Appointment or Topic: SB974

Dear Senate Committee:

I oppose removing Design Review as proposed in the SB974 –1 Amendment “Section 12 (5)” on page 10 and “Section 13 (5)” on page 11.

Design Review in Portland is important for many reasons, including:

- It ensures development is resilient and will be lasting.
- It strengthens areas by guiding development to improve visibility, safety and access to and within the public realm, supporting vibrant places designed for people.
- It supports development that builds on context, contributes to the public realm, and provides high quality and resilient buildings and public spaces.

Sincerely,
Jeanie Golino
