

Submitter: George Blankenship
On Behalf Of:
Committee: House Committee On Judiciary
Measure, Appointment or Topic: HB3076

I am an Oregonian and more important, a father of two and grandfather of four. I support anything our local or state government can do to halt the trafficking and sale of guns. I pray for the safety of my grandkids as they attend school every day. I am wholeheartedly in favor of HB 3076.

Thank you,
George Blankenship
