To the Senate Committee on Finance and Revenue,,

Thank you for the opportunity to comment in support of the Pause Act SB 681.

I have lived and worked in Oregon for over 35 years. I am a grandfather and I care very much about the climate we will be leaving for our children. We seem to be at a crossroads and we must decide the best way forward.

I'm a taxpayer and I care about how the Oregon PERS funds are invested. I support no NEW private investments in fossil fuels! This is the best way forward.

Thank you for convening and spending time on this committee.

Sincerely, J. Mark Plut
