

Submitter: Bill Bold

On Behalf Of:

Committee: Senate Committee On Housing and Development

Measure, Appointment or Topic: SB974

Under no circumstances should there be a shortcut to the development permitting process. These processes are meant to ensure that inexperienced, incompetent or corrupt individuals do not build garbage in our state. The focus should be on ensuring the quality of the buildings we live in and use, not ensuring quick turnaround on permitting. A better solution to lengthy turn-around times is to hire more people, not eliminate controls.
