

Submitter: Seth Shenker

On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3075

Oregon Legislators,

Please consider how HB 3075 will negatively impact the ability for low income Oregonians to practice their second amendment rights and vote "No" on this legislation.

Please consider how discretionary permitting by law enforcement officials could lead to an inequitable outcome for those who may or may not be approved for their permit.

Thank you for their consideration.
