

Submitter: Cara Rozell

On Behalf Of:

Committee: Senate Committee On Housing and Development

Measure, Appointment or Topic: SB974

To the House and Development Senate,

I oppose the elimination of Design Review as proposed in the SB974 –1 Amendment “Section 12 (5)” on page 10 and “Section 13 (5)” on page 11. I believe the importance of applying design review to only a small portion of development (as this does not apply to small residential development) far outweighs the potential delays and expenses to large developers with overall benefit to our neighborhoods and cities.

Thank you, Cara Rozell, Portland.
