Measure, Appointment or Topic: HB3075

First off I would like to say that HB 3075 and Measure 114 is clearly unconstitutional. If the government is allowed to force you to beg for the ability to exercise a right that is outlined in the United States Constitution and Oregon Constitution, make you wait months for a response and extort you for money and even then they may deny it for a frivolous reason. Is it really a right? This shouldn't be up for debate, all humans are born with an inalienable right to self preservation, why should anyone be able to tell me I'm not allowed to protect myself.
