

Submitter: Mark Reaksecker
On Behalf Of: To be overturned by OSC or USSC--
Unconstitutional
Committee: House Committee On Judiciary
Measure, Appointment or Topic: HB3075

This bill is unconstitutional and if passed, will be overturned by the Oregon Supreme Court or the US Supreme Court.

The only reason there are a few people who support this bill is that they have submitted supporting testimony over and over again. Don't let them fool you. The vast majority oppose this bill because it is extremely UNCONSTITUTIONAL and repugnant.

VOTE NO!!!
