Committee: Senate Committee On Housing and Development

Measure, Appointment or Topic: SB974

Please support and pass SB 974-1! We need more housing and affordable options in Oregon, this bill will help by providing housing quicker; cutting down the length and cost of the current land development process. Also, the bill will help reduce the financial impact of appeals for a fairer process. Finally, by reducing the design review approvals, we can provide the housing Oregon needs!

Thank you!
