

Submitter: William Glassmire

On Behalf Of:

Committee: Senate Committee On Finance and Revenue

Measure, Appointment or Topic: SB681

Chair Meek, Vice-Chair Mclane, Members Patterson, Starr, and Taylor,

My name is William Glassmir4. My wife Leslie and I live in Corvallis. We are both retired. Leslie is a PERS recipient.

I support the Pause Act - SB 681.

We are deeply concerned about the climate emergency. We also want that future Oregonians can live healthily and in harmony with the earth. PERS investments in fossil fuels are contradictory to both of those.

Please support the Pause Act – SB 681 – for a better future for Oregon, indeed for all the world.

Thank you for your time and attention.

William Glassmire
