**Support for HB 3626- Micromobility Standards**

Dear Co Chairs Gorsek and McLain, Vice Chairs Boshart Davis and Starr, and members of the committee,

The Oregon Trails Coalition advisory council includes representatives from more than thirty federal, state, and local agencies, trail user groups, outdoor industry and tourism partners, and volunteer organizations. We represent walkers, bikers, runners, paddlers, equestrians, adaptive equipment users, skiers, snowmobilers, and motorized trail enthusiasts.

We are writing today to share our support for HB 3626 which sets clear standards and definitions and age requirements for micromobility devices in Oregon.

We believe these standard definitions are important and helpful for those managing trail systems as well as our streets and sidewalks for the safety of all users.

Thank you for your leadership,
