Measure, Appointment or Topic: SB681

I support the Pause Act - SB 681. I am an elder, and a lifelong voter, and I care how the Oregon PERS funds are invested. No NEW private investments in fossil fuels! No going down the lost cause avenue...maybe not in my lifetime will we see the end of fossil fuels, but it WILL happen. The sooner the better, given the tremendously growing better options (although real conservation is my #1!)

Thank you.
