Measure, Appointment or Topic: SB974

Dear Members of the OR Senate Committee on Housing & Development:

Obtaining a building permit for individual family housing, commercial, industrial, and/or houses of worship currently takes too much time as well as too much money. Please vote YES for SB 6 & SB 974. Although SB 9744 includes only single family housing, I think that all building permits need to be expedited while, at the same time, include the required elements of a legal permit.

Thank you,
