

Submitter: Kathleen Dickson

On Behalf Of:

Committee: Senate Committee On Finance and Revenue

Measure, Appointment or Topic: SB681

I support the Pause Act - SB 681, because I accept that climate change is real and is affecting my community now. Any new investments in fossil fuels will just make things worse in the long run, not just for Oregon, but for the entire world.

I care how the Oregon PERS funds are invested. No NEW private investments in fossil fuels!
