Measure, Appointment or Topic: SB1076

I am opposed to senate bill 1076.

Oregon currently has some of the strictest animal welfare laws in place including ORS 167.364 and ORS 609.420 which insured humane breeding conditions and regulates animal cruelty. What we need to do is enforce the laws we already have. Focusing on the true backyard breeder . Not punishing the ethical/ health testing/ breed preserving ones.
