On Behalf Of:

Committee:

Senate Committee On Judiciary

Measure, Appointment or Topic:

SB703

Dear Senators,

I strongly support SB703. Immigrants in Oregon currently have insufficient legal and other forms of support as they try to navigate their immigration status. They are our neighbors, our friends, our co-workers. One major resource where help has been sought has had their federal funding revoked leading to even fewer legal services that are available and affordable. Please support this bill and its funding.
