

Submitter: Becky Rose

On Behalf Of:

Committee: Senate Committee On Finance and Revenue

Measure, Appointment or Topic: SB681

I can remember being horrified, more than a decade ago, when I learned (I found this information myself - and it wasn't easy!) that OR PERS top investment was in fossil fuels (#2 was in a bank that finances them). And we're still here? Let's do the right thing and invest only in companies that help people and the planet. Thank You.
