Measure, Appointment or Topic: HB3075

I'm submitting my testimony today, in complete opposition to HB3075, because it is an unconstitutional attempt by the Oregon Legislature to strip the people of our constitutional right to keep and bear arms, guaranteed to us under Article 1 section 27 of the Oregon Constitution. As well as the 2nd Amendment of the U.S Constitution.

It is not the place of the Government to turn rights into privileges, at a burdensome financial cost to the people.

Nor is it ethical to criminalize the otherwise legitimate acquisition, possession & use of necessary firearm accessories such as magazines.
