

Submitter: John Livingston

On Behalf Of:

Committee: Senate Committee On Finance and Revenue

Measure, Appointment or Topic: SB681

I support the Pause Act - SB 681. We need to stop pandering to corporations that do nothing for the environment and are involved in the fossil fuel industry. My friends in Bend are members of PERS. Both them and I care about the climate, and we are all taxpayers whose money supports PERS, and I care how the Oregon PERS funds are invested. We want No NEW private investments in fossil fuels!

Thanks, John L.
