

Submitter: Bing Wong

On Behalf Of:

Committee: Senate Committee On Judiciary

Measure, Appointment or Topic: SB703

SB 703 Support, help for nonprofit services will potentially avoid deportation of members of our immigrant community. Funds are needed to pay for legal assistance that greatly increases the odds of attaining or maintaining current immigration status or obtain permanent resident status. The aggressive stance of the Federal Government and ICE going into our communities is frightening and is preventing many from leaving their homes.
