

Submitter: Janylyn Marks

On Behalf Of:

Committee: Senate Committee On Finance and Revenue

Measure, Appointment or Topic: SB681

I support the Pause Act - SB 681. Last year I modified my personal investment plan to tilt green away from fossil fuel investments. And away from corporations with little regard for our environment, our climate future or our mental and physical health. I care how Oregon invests PERS funds. Please invest in a sustainable future. Thank you.
