Topic: SB1076

I strongly support SB 1076. As an animal shelter volunteer for over 30 years I have never seen an animal sheltering crisis like what we have today. It is high time that breeders are required to be licensed, regulated and inspected. We need to hold those creating this problem accountable. I am sick from seeing healthy and happy dogs euthanized because someone was trying to make a buck. Please visit your closest county shelter and ask them what a day is like for them. You will be shocked and saddened. This is our chance!

Thank you in advance for supporting SB 1076!!
