Measure, Appointment or Topic: SB1076

SB 1076 I am for a yes vote on this senate bill. The Jackson County shelter today does not even take stray cats in, it is over crowded, lacks space, lacks help, too many dogs being put down. Too many breeders have allowed too many births of dogs and cats causing far too many strays in the Ashland Area, an in Jackson County. Some people feed the stray cats, who then continue to kill birds because they still have no homes. Its all a losing battle and far too many dogs and cats are suffering from over population. Breeders must be regulated, stricter laws a needed for all of us humans who have raised kittens and puppies, I am 86 years old and am speaking as someone very experienced in regards to seeing the over population of our animals. Things must change. Please pass SB 1076, and initiate more needed legislation as well.
