On Behalf Of: Montavilla UMC
Committee: House Committee On Housing and Homelessness
Measure, Appointment or Topic: HB2964

I support HB2964 to expand the successful loan program to include grants for pre development costs of non profit land toward housing, either multi family apartments or some homeownership. My Portland neighborhood, Montavilla, is short of housing and would benefit from unlocking nonprofit owned land for residential development. Please support HB2964.
