

Submitter: Shantel Schroeder

On Behalf Of:

Committee: Senate Committee On Finance and Revenue

Measure, Appointment or Topic: SB681

I am writing today in OPPOSITION to SB 681. This seems financially irresponsible to limit investments which could benefit PERS, especially when PERS seems to be in the red. Additionally, the trasureer should be able to choose investments that they see as the best for return for the betterment of the state. Please vote NO on this bill.
