SB703

I am writing in OPPOSITION to SB 703. As much as I understand the intent to this bill, i believe it is a little too premature. Oregonians are feeling the pinch of their finances at every turn. We are feeling over taxed and tired. I can appreciate the desire to help illegal aliens obtain citizenship, but there are also federal programs for this. I do agree that the path to citizenship should be reformed, it is not the states resposibility. Having it on the back of Oregonians is irresponsiblr and these programs are ripe with fraud and lack transparency. for these reasons, i urge you to vote NO on this bill.
