

Submitter: LaJune Thorson

On Behalf Of:

Committee: Senate Committee On Housing and Development

Measure, Appointment or Topic: SB974

I oppose eliminating Design Reveiw as a step in the approval process. Infill is importlant and I am not oppsed to increasing density in neighborhoods. But keeping design in the character of the neighborhood is important to the feel of the neighborhood. Keeping similar materials and color makes for a more attractive neighborhood. Design review frequently resultts is a better designed building.
