

Submitter: Tommy Davidson

On Behalf Of:

Committee: House Committee On Revenue

Measure, Appointment or Topic: HB3755

The wife and I are both retired with property taxes over 3k per year. Having lived in the same house for over 30+ years. We have been uncertain how much longer we would be able to afford to stay in our home. HB 3755 would be the answer to our prayers. It would free us up to make much needed home improvements.
