SB703

I was born in another country to parents who had been born in the US. I came to the US when I was 6 years old, and never went to school anywhere except the US. Because my Dad became a naturalized citizen of My birth country, and it was hard to prove my Mom's citizenship, I had a green card until I was 21. One of my special summer jobs was not offered to me, because I was not a citizen. After I married a US citizen, I was finally able to get my Citizenship papers. We need all the help we can get to provide information and help to those who want to be a part of this very wonderful nation. Please pass this bill. Thank you.
